Dear Parents and Guardians,

Gordon Denny Community School has been informed of the dates for the Village of Air Ronge Fuel Management Plan. From March 8-March 26 2021, there will be a crew thinning the bush behind the school, making it unsafe for people to be in the forest at that time. We ask that you speak with your children to remind them; that for their safety, to stay out of the bush during those days.

For more information, please contact the Village of Air Ronge office at 306-425-2107.

The area circled in YELLOW is the affected area:

Sincerely,

Scott Hepworth

Principal
